June 2018

THIS MONTH, WE'RE HIGHLIGHTING OUR CHARITABLE LENDING EFFORTS ON AN ENTREPRENEUR IN COLOMBIA

Geraldine in El Retiro, Colombia

Geraldine is just 21 years old and lives and works in the municipality of El Retiro. Geraldine studied in university and went on to start her own business in design and publicity. Her clients love her work so she's very motivated to keep going and grow her business. As she just started last year, she's still working to ensure her business can be more profitable, but she doesn't yet have the capital to do it. She's asking for a loan of \$550 USD to buy a new camera to take pictures for her publicity and design business with a dream of growing her business to support herself.

About Geraldine's Loan...

We are excited to support this loan as it is designed specifically for young people in Colombia. These loans specifically help Colombian borrowers between the ages of 18 and 25 who may lack business experience and an established credit history to gain access to financial services. By supporting this loan, we are helping to expand opportunities for young people in Colombia with limited resources. You, too, can join us in sending microloans to young people like Geraldine at Kiva.org. We applaud and support your effort!
